## Presidents Message:

First, on behalf of the Police Emerald Society, let me extend our deepest sympathy to all those who in one way or another became casualties of Hurricane Sandy. We have great sorrow for those who lost their lives, their homes and their livelihoods. FOP DC-1 has set up a mobile kitchen in New Jersey as I write. Many thanks to them. Our prayers go with them.

On a happier note, we have just returned from the NCLEES fall meeting in London. It was a great trip, enjoyed by almost 30 members and family. We were no doubt the largest delegation in attendance and took the city by storm. The Emerald Society members of the London Metropolitan Police Service showed us exemplary hospitality for which we will remain ever grateful. The high point of the business meeting was a

presentation by Deputy Chief Constable Judith Gillespie of the Police Service Northern Ireland. She did a power point presentation of how the paramilitary RUC became the modern police force now known as the PSNI. As part of the transition, she went as far as learning the Irish language. Following the meeting, our Sally Sullivan, assisted by her gracious and very capable daughter Katie, led us on a trip to the Old Country, with memorable beginning in Shannon and then onto Killarney, the Dingle Peninsula, PJ Fitzgerald's Galway, the Aryan Islands, Westport, Kilonan Castle and finally Dublin. At Inch Beach, we saw surfers! In Ireland! In October. In Dublin we enjoyed a reception at the central station. We learned some history, geography and even Irish. We should all be able to say "good morning" in Irish anyway. What a trip! Thanks, Sally. We look forward to the next one.

The next fall meeting is San Francisco, November 1 through 3, 2013. We were there in 2000. This is a trip not to be missed. Prior to "jumping the pond" we had a delightful visit to Ocean City, our annual Fall Fling. Nancy Earnhardt arranged a nice time for us. I hope to see everyone at the Christmas party. We will be at the same place: Greenbelt American Legion Post. This year's date is December 1, and will feature a great buffet, a premium open bar and great fellowship. Do mark you calendar and plan to come. I wish everyone a happy Thanksgiving and a merry Christmas. The holidays are always a challenging time for those in law enforcement and safety needs to be paramount.

Charlie

## Christmas Party

Please find enclosed a ticket for our annual Christmas Party, Saturday December 1st from 7pm to midnight. Consider joining us for our holiday celebration and dinner at the American Legion in Greenbelt, MD. Tickets will remain the same at \$40pp. Price includes DJ music, appetizers, dinner and a premium open bar including

Guinness. It's casual business attire or dress as sharp as you'd like. This has been a wonderful event and I know the economy is tough so we kept the prices the same as cost rose, but we need you to come out and support us in order to make it a success. The DC FOP moved their party to the second Saturday so we could attend each oth-

ers function. Times are tough and we're stretched buying gifts for the kids, so put a little aside now for a nice night out for yourself. We also award our Man, Woman and Law Officer of the Year Awards. Please consider nominating someone. Sandy delayed getting this out sooner, so please return the tickets ASAP. Thanks!!!

# HOTEL ROOMS FOR OUR CHRISTMAS PARTY & INFO

Thanks once again to TK for obtaining a block of rooms for us, so nobody has to drive home after our party. Our host hotel for the evening is the Greenbelt Hilton Garden Inn located within walking distance of the American Legion on Walker Drive. We have a block of twenty rooms reserved under the PES. The rooms are \$69 plus tax and that includes breakfast for two in the morning. Please mention the "Police Emerald Society" when reserving your room. Call 301.474.7400

There's not much time to turn your tickets back in, please help me out by sending them back ASAP. As you know we were over in England and I extended my trip by a few days by going over to Dublin. I also had to run up to NY and bring my Mom back here the day after the storm because she had no electricity. I still have family displaced two weeks later and some friends that have lost everything. There were loss of lives' from one of our brethren ES up there and many members homes destroyed,

please keep them in your prayers. With everything going on, the newsletter was delayed. We need your support, I ask that members please consider attending this years function, I know it's hard sometimes financially, but please do try. I was surprised by the unemployment in Ireland when I was there. 10% of the population cant afford to buy food. We are all going through some tough times, so do what you can to help others. We have a DJ this year, unfortunately we couldn't get the band. I just want to thank Ray Murphy and the Rovers on behalf of all of us for all the wonderful years that they played, we truly appreciated it.
